#### Overview

---

Junior in high school, passionate about STEM, government, and social activism. I love and thrive when working in highly driven environments - campaigns, startups, hackathons, protests, etc. Event organizing experience of all kinds, from club events to protests and hackathons, with experience working on campaigns as well.. Above all else, I'm a firm believer in change and the power of student voices

---

#### Experience

---

##### E.O Smith High School Debate Team/ Founder

September 2019- PRESENT

- Started/founded a debate team at Edwin O Smith High School
- Designed arguments, drills, and presentations to coach fundamentals of debate

##### High School Democrats of America / National Expansion Committee / Data Subcommittee

September 2019- PRESENT

- Using data and data analysis to drive expansion and outreach
- working on marketing and campaigning efforts to start new clubs
- helping with outreach and new initiatives within the HSDA, including a national voter registration project

##### SRND / Codeday Organizer

November 2018 - February 2019

- Helped organize the first ever programming event of it's kind in Indiana
- Marketed to students all over Indiana
- Ran workshops and mentored students in programming and game design

##### Indianapolis Climate Strike / Co-Organizer

April 2019 - May 2019

- Worked with a passionate group of student activists across Indiana to organize the second round of the Indy Climate Strike.
- Marketed to students all over Indiana
- Helped find company partnerships and reach out to local business for their support

### **Tippecanoe County Democratic party/ Intern**

Aug 2018 - November 2018

- Went door-to-door to sign hundreds of voters up for early voting and/or to pledge their support for certain candidates
- Helped recruit other volunteers to join the campaign
- Performed clerical work such as sorting mail, restocking supplies and typing documents
- Phone banked to hundreds of potential voters over the course of four months

### **Windy City Hacks / Organizer**

January 2019 - June 2019

- Helped raise over \$14,000 in sponsorship funds for the event, making sure each attendee had free meals, a shirt, and swag
- Developed campaigns and specific marketing strategies for high school students
- Organized workshops and coordinated mentors to help attendees at the event
- Overall, helped spread STEM and programming to students of Chicago

### **Purdue Agriculture and Biological Engineering / Lab Assistant**

June - August 2018

- Collected and analyzed field data
- Recorded and documented progress and qualitative/quantitative data
- Helped clean lab and sanitize lab equipment

### **National Student Walkout / West Lafayette Chapter Lead Organizer**

February 2018 - April 2018

- Was the lead organizer for the West Lafayette Chapter of the National Student Walkout
- Led fundraising efforts to gather money to donate to victims of gun violence
- Generated marketing campaigns and helped coordinate partner walkouts in the area
- Marketed to the student body as well as coordinating student speakers and local politicians and activist groups attending the event
